

FOOD DISCLAIMER: TEXTURED FOOD INNOVATIONS, INC. does not claim to treat or cure any disease and is not a substitute for medications or medical/healthcare recommendations or advice. Our menu consists only of changes in food texture that follow the guidelines set forth by the American Dietetic Association for Level 1, Level 2 and Level 3 Modified Dysphagia Diets. No dietary restrictions have been made in the preparation of our products to accommodate individuals with diabetes, hypertension, renal disease, elevated cholesterol, gluten intolerance, kosher restrictions or other conditions except for those individuals requiring a modified dysphagia diet. Please contact your physician or health care provider for any specific nutritional concerns you may have before starting any modified diet. Our menus are subject to change at any time

TEXTURED FOOD INNOVATIONS, INC. makes every attempt to identify ingredients that may cause allergic reactions for those with food allergies. Every effort is made to instruct our food production staff on the severity of food allergies. In addition, we label items with possible allergen-containing ingredients; however, there is always a risk of contamination. There is also a possibility that manufacturers of the commercial foods we use could change the formulation at any time, without notice. Customers concerned with food allergies need to be aware of this risk.

Please be aware that our facility prepares foods and uses ingredients in our products that may contain one or more of the 8 ingredients listed by the USDA as causes of food allergies. You may refer to the USDA for further information. If you have any type of food allergy, please refrain from eating our products after reading our nutritional labels.
